One 25 g ball of wool contains 246 ft (75 m) of yarn.

Knit a more economical version by combining 1 Mila yarn and 1 Alpaca Superlight yarn.

Gauge swatch

Knit a gauge swatch measuring 15 x 15 cm in stocking stitch with no 10 needles and 2 yarns together. Measure 10 x 10 cm on your gauge swatch: you should count 10 stitches and 11 rows. Use a thinner needle if your gauge swatch is wider and a thicker needle if your gauge swatch is narrower.

Used stitches

- **Italian cast on:** if you are a beginner watch YouTube films for how to do the Italian cast on
- **1x1 Rib stitch:** Purl 1 stitch, knit 1 stitch, keep repeating. In the return row, knit the knit stitches and purl the purl stitches.
- **Stocking stitch:** Knit 1 row, purl 1 row

- **Casting on stitches:** Hold the needle with the working garment in your left hand, put the right needle between the first 2 stitches and knit 1 stitch. Slide this stitch loosely on the left needle. Put the right needle between the first 2 stitches again, knit 1 stitch and slide this loosely on the left needle. Continue until you have increased the desired number of stitches.
- **Adding stitches at the end of the row:** You take the working garment in your right hand and the working yarn in your left. Loop the working yarn around your finger. Put the knitting needle under both yarns and bring the knitting needle forward in the loop. Remove your finger from the loop and pull the yarn. Repeat this action until you have added the desired number of stitches.
- **Casting off shoulders together:** Place the front and back with the right sides together. Hold them in your left hand and take a 3rd needle. Knit the 1st stitch of the front and the 1st stitch of the back together with 1 knit stitch, knit the 2nd stitch in the same way. Pass the 1st stitch over the 2nd stitch. Repeat this action until you have cast off the desired number of stitches.
- **Slip stitch:** put the crochet hook in a stitch, put the yarn over the needle and pull it through the stitch and the loop on the crochet hook.

knitting instructions

TIP

Keep counting the number of rows of the front and back. These should be equal.

Back

1

Cast on 45/49/53/56 stitches with no 8 needles and 2 yarns of white wool together. Use the Italian cast on or normal cast on. Knit 2 cm 1x1 rib stitch. Start with 1 purl stitch.

2

From here, add stitches for the sleeves adding equal numbers at the start and end of the row. You cast on knit stitches at the start of the row and add stitches at the end of the row.

Add 5/5/5/5 stitches. Knit the return row in purl. Add 7/7/7/7 stitches. Knit the return row in purl. Add 8/8/8/8 stitches. Knit the return row in purl. Add 11/11/12/13 stitches. Knit the return row in purl. You now have 117/121/127/130 stitches.

Repeat the previous steps for the front, but knit to a length of 46/47/48/49 cm. End with a purl row.

7

For the neck, cast off the middle 17/17/17/18 stitches.

Knit to the end of the row and purl back to the neck. Turn the working garment and cast off 3 knit stitches. Knit to the end of the row. Purl a row back to the neck.

8

Now finish the other side of the neck. Take 2 new yarns together and cast off 3 purl stitches, purl to end of the row. Turn the working garment and knit to the neck. Turn the working garment and purl another row.

9
