**XS - XXXL**

A good basic with a high-cosy factor is a must in every wardrobe. Vera has a lovely feminine neck binding in (ribbed) trim fabric. The sleeve and hemline seams are finished with two parallel lines of topstitching. Roll up the sleeves for a casual look.

## size chart (in cm)

size	XS		S		M		L		XL		XXL		XXXL		
	4	6	8	10	12	14	16	18	20	22	24	26	28	30	32
body height	160	164	166	167	168	169	170	171	172	172	172	172	172	172	172
B (bust)	76	80	84	88	92	96	100	104	110	116	122	128	134	140	146
H (hips)	86	90	94	97	100	103	106	109	115	120	125	130	135	140	145

Choose your size based on your **bust measurement**. If your hip measurements are wider than those in the size chart, check the hem circumference in the chart below to see if there's enough room or whether the pattern needs to be altered. It's easy to do. Simply trace the line of the one size instead of the other.

## pattern measurements (in cm)

This chart's measurements are the pattern measurements based on the fabric type and serve as a reference. Ease has been added to the width measurements (in addition to the exact body measurements) for a more comfortable fit. Vera is designed to have a **loose cut**. Depending on the preferred cut, you could decide to go a size smaller or larger than the recommended size.

— shorten or lengthen the pattern here

size	XS	S	M	L	XL	XXL	XXXL
length	59.5	61.25	63	65	67.25	69.5	71.75
sleeve length*	49.5	50.75	52	53.25	54.5	56	57.25
bust	97.75	105.75	113.75	121.75	131.75	143.75	155.75
hem circumference	89.5	97.5	105.5	113.5	123.5	135.5	147.5

\* Including shoulder length.

Compare the stated lengths to the measured or desired lengths. **Lengthen** or **shorten** the jumper and/or sleeves by cutting the pattern pieces at the indicated double lines. Then either increase the distance between the cut pieces by the desired amount (to lengthen) or overlap the pieces (to shorten). Make sure that the CF and CB lines and the side seams are always straight.

## IMPORTANT

Adjust the amount of fabric to be used based on these alterations.

## fabric advice

Knits work best on Vera. For example, sweatshirt fabric, French terry, and interlock are all great options. Use (ribbed) trim fabric to make the neck band.

# sewing instructions

The sewing instructions explain how to make the jumper if you don't have an overlock machine. Use a stretch stitch setting on your sewing machine to sew the seams and an overlock stitch to finish the raw edges. The seams of the jumper can also be sewn with just a 4-thread overlocker, i.e. 2 upper looper threads and 2 lower looper threads. This finishes the raw edges and sew the seams together at the same time. The seams will stay stretchy. For the neck band, set your sewing machine to sew a stretch stitch.
